

RIZQ SOCIAL RESPONSIBILITY DRIVE, RAMADHAN 2019

The faculty and students of Lahore College for Women University engaged in student engagement through social responsibility activities, under the RIZQ ASAP LCWU Program, throughout 2018 and in the first half of 2019. This program was initiated as an outcome of the TEDx2017 (theme: Let's Act), under the supervision of Dr. Asma Shahid Kazi, Chairperson Department of Professional Studies. The initiative was initially approved by the ex-Vice Chancellor of LCWU, Dr. Uzma Quraishi, and has continued under the patronage of the acting VC, Dr. Farkhanda Manzoor. Each activity is monitored both by the RIZQ-ASAP LCWU advisor, Ms. Shagufta Moghal and the Director of Student Affairs Ms. Bushra Nadeem.

RIZQ-ASAP LCWU is an endeavour to expose students, from all departments of the university, to the realities of serving the poor, working in a dynamic start-up company, and applying academic theory to real-world scenarios. It is a platform for them to become a part of the Rizq mission of #MITTADEYBHOOK. The students of Lahore College for Women University engaged in fundraising and awareness raising activities to help feed the needy and the underprivileged.
