ABOUT LAHORE COLLEGE FOR WOMEN UNIVERSITY (LCWU)

Established in May 1922, Lahore College for Women University (LCWU) has grown from a modest intermediate residential college into one of Asia's largest and most prestigious women's universities. Currently, LCWU boasts a vibrant community of over 17,000 students and a dedicated teaching faculty exceeding 500 members. The university offers a diverse array of programs across more than 40 departments, encompassing disciplines from the humanities and social sciences to natural sciences and engineering. This extensive academic portfolio underscores LCWU's commitment to empowering women through quality education and research excellence.
